The Personnel Office, X-2 Division, is comprised of seven workcenters which include Customer Services, Fleet Reserve, Personnel Accounting, Receipts, Reenlistments, Separations and Transfers.

Overall, Personnel is responsible for the personnel management aboard ABRAHAM LINCOLN. Maintaining the personnel records for a crew of more than 3,000 personnel is more than a full time job for the men and women of X-2 Division.

The ship's Enlisted Distribution and Verification Report (EDVR) is an important tool used in accomplishing this goal but even the best tools require skilled craftsmen to get the most out of them. The personnel office are the master craftsmen onboard when records are involved.
